- MB agreed to proceed in discussions with BoS in view of the highlighted topics of extrapolation of Risk-free Interest Rates; Volatility Adjustment; and Matching Adjustment.

Action points:

- The National Competent Authorities to consider allocation of further resources to the EIOPA project groups working on the 2020 review.

Written Procedure: Not applicable

6.1.2. Reporting and Disclosure Consultation Paper

Type: Discussion

Voting results: Not applicable

Conclusions:

- MB agreed that the Reporting and Disclosure Solvency II Review 2020 package is a good basis for discussion at BoS and that the message should be that the reporting package needs to be streamlined overall.
- MB agreed that captives are an area where further work is needed in light of proportionality both in reporting and disclosure.
- MB agreed that the package is a good basis for the consultation but specific areas might need further thought after consultation such as the level of granularity of cyber template or internal models information.
- MB supported the 'Two-pages' Solvency and Financial Condition Report for policyholders with clear and easy to understand language.

Action points:

- EIOPA to include in the Impact assessment an overall view of the overall effect of the changes proposed to illustrate whether they lead to simplification of the overall reporting package.
- EIOPA to follow up with COM on the discussions from the past regarding

empowerment of the Implementing Technical Standard regarding materiality, proportionality and risk-based thresholds.

- EIOPA to reflect in the package further proportionality regarding captives.
- EIOPA to follow up, during the consultation period, with the Internal Model Forum on the proposals regarding Internal Model reporting.

Written Procedure: Not applicable
