

S.02.02. - Assets and liabilities by currency (old BS-C1D)

General comment:

This Annex contains additional instructions in relation to the templates included in Annex I of this Regulation. The first column of the next table identifies the items to be reported by identifying the columns and lines as showed in the template in Annex I.

This annex relates to annual submission of information for groups.

This template is to be filled in accordance to the Balance sheet (S.02.01.b). Valuation principles are laid down in Directive 2009/138/EC, Implementing Measures, Solvency II Technical Standards and Guidelines.

This template is not required to be submitted if one single currency represents more than 90% of assets and liabilities.

If submitted, information on the home country shall always be reported regardless of the amount of assets and liabilities. Information reported by country shall at least represent 90% of the total assets and liabilities. The remaining 10% shall be aggregated.
