

S.01.03. - Basic information

General comments:

This Annex contains additional instructions in relation to the templates included in Annex I of this Regulation. The first column of the next table identifies the items to be reported by identifying the columns and lines as showed in the template in Annex I.

This annex relates to opening and annual submission of information for groups.

All ring-fenced funds and matching portfolios shall be identified regardless if they are material for the purposes of submission of information.

In the first table all ring-fenced funds and matching adjustments portfolios shall be reported. In case a ring-fenced fund has a matching portfolio not covering the full RFF three funds have to be identified, one for the RFF, other for the MAP inside the RFF and other for the remaining part of the fund (vice-versa for the situations where a MAP has a RFF).

In the second table the relations between the funds as explained in previous paragraph are explained. Only the funds with such relations shall be reported in the second table.

For group reporting the following specific requirements shall be met:

- This information is applicable when method 1 as defined in Article 230 of Solvency II Directive is used, either exclusively or in combination with method 2 as defined in Article 233 of Solvency II Directive;
- When combination method is being used, this information is to be submitted only for the part of the group calculated with method 1 as defined in Article 230 of Solvency II Directive, and;
- This information does not apply to groups when method 2 as defined in Article 233 of Solvency II Directive is being used exclusively.
