

Julia Cillikova

She graduated from the Comenius University in Bratislava, Faculty of Mathematics and Physics. After graduation she started working as actuary for the Ministry of Finance, and since 1999 as a Head of Department of the Insurance Supervision. From November 2000 she worked in the Financial Market Authority as the Director of the Insurance Department and after adoption of the new Act on Supervision of the Financial Market in May 2002, the Government of the Slovak Republic appointed Mrs Julia Cillikova as a Director General of the Financial Market Authority. After the merger of the Financial Market Authority and the National Bank of Slovakia in January 2006, she was responsible as Executive Director for supervision and oversight of insurance, capital market and pension funds. Since February 2007 she has been the Director of the Regulation Department where she was responsible for regulation of whole financial market. Since September 2013 she is also responsible for banking resolution.

She represents the National Bank of Slovakia in the Insurance and Private Pension Committee and the Financial Market Committee of the OECD, the International Association of Insurance Supervisors (IAIS) and the International Organisation of Pension Supervisors (IOPS). Since 2012 she has been a honorary member of the Slovak society of actuaries where she was a member of the Board from 2001 to 2007.

She represents the National Bank of Slovakia (as a Member of the Board of Supervisors and Management Board) in the European Insurance and Occupational Pensions Authority (EIOPA).
