

On-line Public Hearing on the Consultation Paper on the Review of insurance disclosure requirements under the EU Taxonomy Disclosures Delegated Act

16 July 2026

AGENDA

Public Hearing Moderator: Carlos Guiné, EIOPA Head of Sustainability

09.00- 09.15 Welcome and Introduction

Introduction to public hearing objectives and to EIOPA proposals.

Patrick Hoedjes, EIOPA Head of Policy and Supervisory Convergence Department

09.15 – 10.15 Session 1 – EIOPA proposals to review of current insurance requirements: Underwriting KPI, Combined KPI and other simplifications

This session will present EIOPA's draft proposals on the Underwriting KPI, including Taxonomy alignment and eligibility ratios, the removal of the Combined KPI and other simplifications. The speakers will explain how these proposals could enhance the measurement of the insurer's contributions to the green transition.

Ursula Bordas, EIOPA Senior Sustainability Expert

Sergio Delgado Cuello, EIOPA Sustainability Expert

Alessandro Molinari, EIOPA Consumer Protection Expert

10.15 – 10.30 Coffee break

10.30 – 11.30 Session 2– Green Insured Activities KPI

This session will present the pros and cons of introducing an additional “Green Insured Activities KPI (GIR)” measuring Taxonomy-aligned insured assets to promote greater consistency across the financial sector by aligning with approaches used for the investment ratio and banking green asset ratio.

Ursula Bordas, EIOPA Senior Sustainability Expert

11.30 – 12.15 Session 3 – Horizontal Issues

In this session, the speakers will discuss simplifying group reporting by focusing on KPIs for the main business and material subsidiaries, as well as the challenges of using OpEx in financial reporting.

Ursula Bordas, EIOPA Senior Sustainability Expert
Sergio Delgado Cuello, EIOPA Sustainability Expert

12.15 – 12.30 Next steps

Carlos Guine, EIOPA Head of Sustainability Unit
