

## Planned public consultations for 2024 (Q1 + Q2)

EIOPA regularly consults stakeholders on different activities such as technical standards, guidelines, or other tools under its remit. The overview of public consultations should help stakeholders to have an insight into the planning.

Topic	Planned publication
Nat Cat Reassessment of the Standard Formula	Q2
Opinion on the supervision of sustainability claims and greenwashing	Q2
Joint ESAs guidelines on Article 97 MICA	Q2

*The table is updated regularly.*
