EIOPA will complete the selection process by the end of June 2024. **The new mandate will commence in July 2024.**

### BACKGROUND

The Stakeholder Groups are established in accordance with Article 37 of the EIOPA Regulation. Their aim is to facilitate consultation with stakeholders in areas relevant to EIOPA's tasks. Members serve for a period of four years with the possibility to renew their mandate once.

Each group consists of 30 members, appointed by EIOPA's Board of Supervisors following an open and transparent selection procedure. The selection takes into account geographical and gender balance, as well as the diversity of the insurance, reinsurance, and occupational pensions sectors, and the representation of stakeholders across the Union.

More information on the activities of the Stakeholders Groups is available on the [EIOPA website](#).
