## Mojca Rome CV

Mojca Rome, a certified actuary, joined the Slovenian Insurance Supervisory Agency (Agencija za zavarovalni nadzor AZN) in 2000. Since then, she has been responsible for the supervision of life and pension insurance products and the supervision of insurance undertakings and institutions for occupational retirement provision in Slovenia.

She was a member of a team that prepared legislative proposals for amendments to the Insurance Act, including secondary legislation. She has been nominated several times as a member of a team of experts that prepared amendments and a new Pension and Disability Act of Slovenia regarding the regulation of supplementary (occupational) pension business in Slovenia. Mojca Rome has also been very active in CEIOPS Occupational Pension Committee since its inception, as well as in EIOPA OPC, now ENW 7. She has been an alternate member of the Board of Supervisors at EIOPA since September 2019, a member of the Advisory Committee on Proportionality at EIOPA since September 2020, and a member of the Supervisory Steering Committee since April 2022.

Before joining the Slovenian Insurance Supervisory Authority, she worked as an actuary at the Supplementary Pension Fund and at Nova Ljubljanska Banka in the information technology sector.

She holds a bachelor's degree in mathematical sciences from the University of Ljubljana and has completed postgraduate studies in actuarial science at the University of Ljubljana.
