\(^1\) OJ L 331, 15.12.2010, p.48

Article 1 – Applicability and scope

1.1. This decision prescribes the arrangements under which the public shall be granted access to documents held by EIOPA.

1.2. Citizens of the European Union and natural or legal persons residing or having their registered office in a Member State shall exercise their right of access to EIOPA documents pursuant to Article 2(1) of Regulation (EC) No 1049/2001 on public access to documents (the “Access Regulation”).

1.3. EIOPA may, subject to the principles, conditions and limits defined in the Access Regulation, grant access to documents to any natural or legal person not residing or not having its registered office in a Member State.

Article 2 – Applications for access to EIOPA documents

2.1. Applications for access to a document shall be sent to EIOPA via EIOPA’s website, by electronic mail, by post or by fax. The relevant contact details shall be defined by the Executive Director and may be updated periodically. Applications shall be made in one of the official languages of the Union.

2.2. EIOPA shall respond to initial and confirmatory applications within fifteen (15) working days from the date of registration of the application.

2.3. In the case of complex or bulky applications, the deadline may be extended by fifteen (15) working days. Reasons must be given for any extension of the deadline and any such extension must be notified to the applicant prior to expiry of the original deadline.

2.4. If an application is imprecise, EIOPA shall invite the applicant to provide additional information to clarify the application. The deadline for EIOPA to respond to the application shall be fifteen (15) working days from receiving the information necessary to identify the document in question.
2.5 Any decision to deny access to a document or part of a document shall state the reason for the refusal based on one of the exceptions listed in Article 4 of the Access Regulation (the “access exceptions”), subject to the requirement not to harm the interests protected by the access exceptions in accordance with Article 9(4). The applicant shall be informed of the remedies available to him or her.

2.6 Pursuant to Article 17(1) of the Access Regulation, a report shall be annexed to EIOPA’s annual report including:

- the number of cases in which EIOPA refused to grant access to documents;
- the reasons for such refusals; and
- the number of sensitive documents not recorded in the register.

**Article 3 – Processing of initial applications**

3.1. Where the document requested is directly accessible as defined in Article 12 of the Access Regulation and 0 of this decision, the applicant shall be notified together with details of how to retrieve the document in question.

3.2. Applications relating to documents which are not directly accessible shall be acknowledged by EIOPA pending an answer unless this answer can be sent by return post.

3.3. The acknowledgement of receipt and the answer shall be sent in writing, where appropriate, by electronic means.

3.4. EIOPA’s document access co-ordinator shall decide initial applications and shall inform the applicant of his/her decision. The document access co-ordinator shall be assisted in this task, if necessary, by the EIOPA service which produced or received the document in question.

3.5. In the event of a total or partial refusal, the applicant may, within fifteen (15) working days of receiving EIOPA’s reply, make a confirmatory application asking EIOPA to reconsider its position and shall be informed of this right when informed of the document access co-ordinator’s decision.
3.6. Failure by EIOPA to reply within the prescribed time limit shall entitle the applicant to make a confirmatory application.

**Article 4 – Processing of confirmatory applications**

4.1. The decisions regarding confirmatory applications shall be taken by the Executive Director or, in accordance with Article 4.3 and 4.4, by the Management Board in order to ensure an impartial processing of confirmatory applications.

4.2. The Executive Director shall assess on a case-by-case basis whether his/her handling the confirmatory application can be objectively found or perceived as conflicted, for reasons linked to the discharge of his/her responsibilities in relation to the handling of the confirmatory application and the performance of his/her official duties and responsibilities as Executive Director, Appointing Authority or Authorising Officer of EIOPA.

4.3. Following his/her assessment, the Executive Director

   a) shall refer the confirmatory application to the Management Board if a conflict of interest situation described above is patently such that the handling of a confirmatory application would directly and improperly influence the performance of his/her professional duties and responsibilities,

   b) may refer the confirmatory application to the Management Board if a situation described above can be perceived as it would potentially improperly influence the performance of his/her professional duties and responsibilities.

4.4. If the confirmatory application is referred to the Management Board, the Management Board, upon proposal of the Chairperson, shall nominate a Rapporteur. Any member of the Management Board or the Vice-Chairperson may act as Rapporteur.
The Rapporteur shall carry out a report on the confirmatory application containing a draft decision. In due time prior to the voting of the Management Board on the report, every member of the Management Board shall have access to the entire case file.

4.5. The Executive Director or the Rapporteur shall be assisted in this task by the document access co-ordinator and, if necessary, the EIOPA service which produced or received the document in question.

4.6. The decision shall be notified to the applicant in writing, where appropriate by electronic means, and shall inform him or her of the right to bring a complaint to the Ombudsman or to appeal to the Board of Appeal.

**Article 5 – Third-party documents**

5.1. Where EIOPA receives an application for access to a document which it holds but which originates from a third party, EIOPA shall check whether one of the access exceptions applies.

5.2. If, after that examination, EIOPA considers that access must be refused under one of the access exceptions, the negative answer shall be sent to the applicant without consultation of the third-party author.

5.3. EIOPA shall grant the application without consulting the third-party author where the document requested has already been disclosed either by its author or under the Access Regulation or similar provisions.

5.4. Unless the document originates from a Member State, EIOPA shall grant the application without consulting the third-party author where it is obvious that the disclosure, or partial disclosure, of its contents would not affect one of the interests referred to in Article 4 of the Access Regulation.

5.5. In all other cases, the third-party author shall be consulted. In particular, if an application for access concerns a document originating from a Member State, EIOPA shall consult the originating authority.

5.6. The third party consulted shall be given a deadline for reply which shall allow EIOPA to respect its own deadline to reply to the applicant. In the absence of an answer within the prescribed period, or in those
cases where the third party is untraceable or unidentifiable, EIOPA shall reach a decision in accordance with the criteria set out in Article 4 of the Access Regulation, taking into account the legitimate interests of the third party on the basis of the information at EIOPA’s disposal.

5.7. Where an initial application for access concerns a document originating from a Member State and the proposed decision of the document access co-ordinator would conflict with the view of the originating authority, the document access co-ordinator shall seek the view of the Executive Director. The Executive Director shall, if necessary, consult again the originating authority.

Article 6 – Exercise of the right of access

6.1. Documents shall be sent by mail or electronic means, with full regard to the applicant’s preference. If documents are voluminous or difficult to handle, the applicant may be invited to consult the documents at EIOPA’s premises. This consultation shall be free of charge.

6.2. If the document has been published, the answer shall consist of the publication references or, for documents available on EIOPA’s website or other websites, the appropriate Uniform Resource Locator (URL).

6.3. If the documents requested exceed twenty pages and access is provided other than by direct access in electronic form or consultation at EIOPA’s premises, the applicant may be charged a fee not exceeding the real cost of producing and sending the copies. Standard fees are set out in Annex 1 and may be amended by the Executive Director as necessary to reflect changes in costs.

Article 7 – Measures facilitating access to documents

7.1. In order to make the right of access provided for in the Access Regulation effective, EIOPA shall provide access to a register of documents. The register shall be accessible in electronic form.

7.2. The register of documents shall cover the categories of EIOPA documents listed in Annex 2. The Executive Director may add categories to Annex 2 as appropriate.
7.3. The register shall contain:

- the title of the document (in the languages in which it is available and indicating its subject-matter or contents);
- its reference number;
- an indication of the author (EIOPA or third party);
- the date on which it was received or drawn up; and
- the date of entry in the register.

7.4. For documents or series of documents which are directly accessible the register shall include a hyperlink to the document or the series of documents in question.

7.5. For documents which are not directly accessible, the register shall provide details of how to request access.

**Article 8 – Documents directly accessible to the public**

8.1. The documents listed in Annex 2 shall, as far as possible and subject to the access exceptions, be made directly accessible to the public by electronic means.

**Article 9 – Internal organisation**

9.1. The Executive Director shall ensure coordination and uniform implementation of these rules by EIOPA staff. To this end, the Executive Director shall provide all the necessary advice and guidelines.

9.2. The Executive Director shall designate a suitably-qualified person responsible for assessing initial applications for documents (the “document access coordinator”) and for preparing decisions by the Executive Director or the Management Board with respect to confirmatory applications.

**Article 10 – Final provisions**

10.1. This decision enters into force immediately.
10.2. The European Ombudsman shall be informed of this decision and any subsequent revisions.
