

### S.22.01 – Impact of long term guarantees and transitional measures

#### General comments:

This Annex contains additional instructions in relation to the templates included in Annex I of this Regulation. The first column of the next table identifies the items to be disclosed by identifying the columns and lines as showed in the template in Annex I.

This annex relates to annual disclosure of information for groups.

This template is applicable when at least one long term guarantee measure or transitional is used by the undertaking.

This template shall reflect the impact on the financial positions when no transitional is used and each LTG measures is set to zero. For that purpose, a step-by-step approach should be followed taking out each transitional and LTG measure one by one and without recalculating the impact of the remaining measures after each step.
