

## Supervision with Impact: 15<sup>th</sup> Anniversary Conference

The EIOPA Conference 2026 marks the 15<sup>th</sup> anniversary of the European Insurance and Occupational Pensions Authority.

Since its inception, EIOPA has been shaping the landscape of insurance and pensions supervision in Europe, contributing to the stability and sustainable development of these sectors, and leaving an enduring imprint on financial stability and on the trust European consumers place in them.

As the Authority enters its next phase, the conference will have a forward-looking perspective. Discussions will spotlight how supervision can continue to deliver tangible benefits in the face of new and evolving challenges.
