Data Protection Officer

¹ Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC.

Description and Purpose of the Processing

EIOPA REGULAR USE

Description of Processing
Data Protection Officer (DPO) collects and processes personal data where strictly necessary for a variety of
consultative, monitoring, investigative and auditing activities, in as much as the provisions concerning the role,
duties and tasks of the DPO are concerned.
The DPO processes personal data in activities, such as:
• responding to the consultation or enquiries received;
handling complaints; data subject requests; data breaches;
providing advice and recommendations;
carrying out investigations and audits;
managing EIOPA's Data protection coordinators network;
raising awareness on data protection/trainings.
Purpose (s) of the processing
Staff administration
Relations with external parties
Procurement and accounting
Administration of membership records
Auditing
☐ Information administration
Other (please give details): performance of the DPO duties and tasks under the Regulation.
Lawfulness of Processing
Legal Basis justifying the processing:
Personal data are processed to ensure the correct application of the Regulation, in as much as the
provisions concerning the role, duties and tasks of the DPO are concerned.
Article 45 of the Regulation.
Processing is necessary:
of for the performance of a task carried out in the public interest – Article 5(1)(a) of the Regulation
for compliance with a legal obligation to which the Controller is subject
for the performance of a contract to which the data subject is party or in order to take steps at the request
of the data subject prior to entering into a contract
in order to protect the vital interests of the data subject or of another natural person
Or
Data subject has given his/her unambiguous, free, specific and informed consent

Data Subject's Rights

Information on how to exercise data subject's rights

Data subjects may exercise their data privacy rights provided in Articles 17 to 24 of the Regulation (EU) 1725/2018.

Data subjects have the right to:

- access their personal data, receive a copy of them in a structured and machine-readable format or
 have them directly transmitted to another controller, as well as request their rectification or update
 in case they are not accurate.
- request the erasure of their personal data, as well as object to or obtain the restriction of their processing.
- withdraw their consent to the processing of their personal data at any time in case such processing is based solely on their consent.

For the protection of the data subjects' privacy and security, every reasonable step shall be taken to ensure that their identity is verified before granting access, or rectification, or deletion.

Should data subjects wish to access/rectify/delete their personal data, or receive a copy of them/have it transmitted to another controller, or object to/restrict their processing, please contact DPO@eiopa.europa.eu.

Complaint:

Any complaint concerning the processing of the data subjects' personal data can be addressed to EIOPA's Data Protection Officer (DPO@eiopa.europa.eu). Alternatively, data subjects can also have at any time recourse to the European Data Protection Supervisor (www.edps.europa.eu).
