

# Consultations and surveys

EIOPA organises written consultations in order to receive comments from all interested parties, including market participants, consumers and other end-users.

EIOPA invites interested parties to send any comments by email, within the indicated deadline, using the provided paper specific, customised template and quoting the reference of the consultation paper.

EIOPA will make all comments available on its website, except where respondents specifically request that their comments remain confidential.

EIOPA's rules on who, when and how it consults and how it responds are laid down in EIOPA's Statement of Consultation Practices.
