

# Consultation on Supervisory Statement on the use of risk mitigation techniques by insurance and reinsurance undertakings

CONSULTATION

START DATE:

29 Sep 2020

END DATE:

24 Nov 2020

Closed

The aim of this statement is to promote supervisory convergence on the assessment of the use of risk-mitigation techniques under Solvency II.

During the consultation period EIOPA will additionally assess potential 'group issues' and 'internal reinsurance'. Stakeholders are asked to include their views on these topics as well.

Unless requested otherwise, all contributions received will be published after the deadline for submission.
