

# Single Programming Document 2021-2023, including Annual Work Programme 2021

DOCUMENT

DATE:

30 Sep 2020

This Single Programming Document sets out the activities that EIOPA plans to undertake in the period 2021-2023 in order to deliver on our four strategic objectives:

- Driving forward conduct of business regulation and supervision to the benefit of consumers
- Leading supervisory convergence to ensure high-quality prudential supervision across Europe
- Strengthening financial stability of the insurance and occupational pension sectors
- Continuing to deliver our mandate effectively and efficiently while remaining adaptable to new priorities
