

# Consultation on the Supervisory Statement on ORSA in the context of COVID-19

CONSULTATION

START DATE:

22 Dec 2020

END DATE:

15 Mar 2021

Closed

The statement promotes convergence by guiding undertakings through common supervisory expectations on the ORSA in the current situation triggered by the pandemic, taking into account that the impact on each individual undertaking can differ depending on its specific risk profile. A proper balance between flexibility and acknowledgment of the ORSA as an undertaking own exercise and clarification of supervisory expectations, in particular in specific circumstances, should be kept.
