

Union-wide Strategic Supervisory Priorities

DOCUMENT

DATE:

19 Feb 2021

EIOPA identified business model sustainability and adequate product design as two Union-wide strategic supervisory priorities relevant for national competent authorities (NCAs).

Following the revised EIOPA Regulation, NCAs shall take those priorities into account when drawing up their work programmes and shall notify EIOPA accordingly. EIOPA will coordinate the supervisory actions with the NCAs on specific topics with the aim to provide a structured and consistent response to the key risks the European Union and the individual insurance markets are exposed to.
