## ‘Women in Insurance’ initiative

While we see many women working in the insurance sector, research shows that they are not always well represented in leadership positions. For this reason, we have launched our ‘Women in Insurance’ initiative (#WomenInInsurance).

Starting on the International Womens Day 2021, we will highlight throughout the whole year different profiles of insipirng women. Through each profile, we will highlight the variety of career paths and roles that are on offer within the profession, as well as what makes a career in this sector rewarding.

Read the articles below and keep following us for more.
