This is a virtual event

The Global Insurance Supervision conference will take place on 13-14-15 September 2021, in virtual format, jointly organised by EIOPA, ICIR and World Bank. The theme of this year's conference is: the insurance sector in the aftermath of the Covid-19 pandemic.

Through panel discussions and keynote speeches, the conference will examine the impact of Covid-19 on the insurance sector, with a particular focus on:

- Technology and trends in digitalisation;
- Regulation/supervision at a global level; and
- Sustainability.

Bringing together speakers from the global regulatory/supervisory community

and international organisations, the conference will be a forum for focused debate on some of the most important issues facing insurance supervisors today.
