Dear subscriber,

You have subscribed to receive regular updates from EIOPA and we thank you for your interest in our work.

We know how important it is for you to stay informed in a timely manner with our work and we want to improve the way you receive email communication about EIOPA's activities.

We have split our newsletter into two types of email communication:

- Email alerts (daily or weekly every Friday): are automatic notifications that contain the latest news published on our website. It is the quick way to stay informed about our work.
 - You are currently registered to receive the weekly email alert.
- Monthly newsletters (10 editions per year): provide a monthly overview of our work, including reports, open consultations, details about events, job vacancies, as well as articles on featured topics.
 - You are currently registered to receive the monthly newsletter

If you wish to change your subscription preferences, please go to your profile. You can change the frequency at which you receive the email alert, change your personal information or unsubscribe.

If you have any feedback or issue, please send an email to newsroom@eiopa.europa.eu.

Thank you for your collaboration.

With kind regards,

The EIOPA Communications Team
