

Annual Report 2020

PUBLICATION

DATE:

15 Jun 2021

In a year dominated by COVID-19, EIOPA played a key role in insurance and pensions supervision in Europe. In addition to putting in place measures to enable the insurance and pensions sectors to continue to deliver for their policyholders and beneficiaries, EIOPA also fulfilled its objectives against its four strategic priorities and two cross-cutting themes. This report sets out EIOPA's overall activities in 2020.
