LOCATION:

Online event

Frankfurt am Main

Germany

The 5th EIOPA sustainable finance roundtable will take place on 7 December 2021 at 8:30-15:30 CET.

Join us to discuss with stakeholders and experts the vital role that insurance and pensions play in strengthening society's resilience to sustainability risks.

Hear from EIOPA about the work it is conducting to ensure that the right supervisory and regulatory measures are in place to support this effort.

**IMPORTANT MESSAGE:** As we are reaching our maximum capacity of virtual attendance, we are no longer able to accept registrations. However, we are keeping a waiting list of all interested participants who will be notified on the day of the event if we will be able to admit them to the roundtable. Click on the “Register here” button below to be included in the waiting list.

Registrations to this event are now closed.
