END DATE:
22 Mar 2022

On 22 March 2022 the Pan-European Personal Pension Product (PEPP) Regulation starts to apply.

Supplementary personal pensions can be an important complement to public pensions if they are high-quality products that are easy and safe to invest.

PEPP is an important milestone on the road to addressing the pension gap and achieving a pan-European market for personal pension products within the [capital markets union](#).

This webinar - directed to both businesses and consumers - will provide an entry-level introduction to what PEPPs are about and what value they can bring

- What is PEPP about?
- What value can they bring?
- When can we expect PEPPs on the market?
