

Mojca Rome CV

Mojca Rome, certified actuary, joined the Insurance Supervision Agency of Slovenia (Agencija za zavarovalni nadzor AZN) in the year 2000. Since then, she has been responsible for the supervision of life and pension insurance products and for the supervision of the insurance undertakings and institutions for occupational retirement provision in Slovenia.

She was a member of a team who prepared legislative proposals for changes of the Insurance Act including secondary legislation. She was many times nominated in a team of experts who prepared change and new Pension and Disability Act of Slovenia as regards the regulation of supplementary (occupational) pension insurance business in Slovenia. Mojca Rome has been also very active in CEIOPS Occupational Pension Committee since its early beginnings as well as in EIOPA OPC now ENW 7.

Before joining Slovenian Insurance Supervisory Authority, she worked as an actuary at Supplementary Pension Fund and at Nova Ljubljanska Banka in information technology sector.

She holds a Bachelor degree of mathematical science from the University of Ljubljana and she finished the postgraduate study of Actuaries at the University of Ljubljana.
