

16 April 2021

STAFF VACANCY
Ref. 202107CAFGIV
External Call

The European Insurance and Occupational Pensions Authority (EIOPA) is an independent European Union Authority established on 1 January 2011 by Regulation (EU) No. 1094/2010 of the European Parliament and of the Council of 24 November 2010.

EIOPA is at the heart of insurance and occupational pensions in the EU. Our mission, among other things, is to contribute to a sound, effective and consistent level of regulation and supervision of insurance and occupational pensions sectors in Europe, and to promote transparency, simplicity and fairness in the market for consumer financial products or services across the internal market for the benefit of EU citizens. Through our activities we help protect insurance policyholders, pension scheme members, customers and consumers and other beneficiaries. We furthermore play a key role in supporting the stability of the financial system, transparency of financial markets and products, and we contribute to strengthening coordination among financial supervisors at the international level.

EIOPA is part of the European System of Financial Supervision (ESFS) which includes the European Banking Authority (EBA), the European Securities and Markets Authority (ESMA) and the European Systemic Risk Board (ESRB).

Further information on EIOPA is available on EIOPA's website: <https://www.eiopa.europa.eu/>

EIOPA is committed to fostering an inclusive and dynamic working environment.

For its offices in Frankfurt am Main, Germany, EIOPA is inviting applications for a position as

Expert on Consumer Protection

Job description

Major purpose

The successful candidate will be a member of EIOPA's Consumer Protection Department.

As a member of the Conduct of Business Oversight Unit, the Expert on Consumer Protection will be expected to provide advice on financial

innovations and market developments related to insurance from a consumer protection angle, with a particular focus on digital distribution and distribution related aspects. In particular, for the scope of this position, the Expert is expected to contribute to a one-year project working with selected national competent authorities (NCAs) aimed at developing key risk indicators to develop conduct risk assessment framework(s) to analyse and prioritize amongst retail conduct risks.

The successful candidate will assist and/or be mainly responsible for various deliverable under this project, including analysing market developments, including financial innovations, with a view of assisting in developing conduct risk framework(s) and promote a coordinated risk-based approach to the supervision of conduct risks, including risks stemming out of distribution activities.

The performance of these tasks may often require the ability to apply economic and statistical principles and concepts, conduct independent research on topics relating to intermediaries supervision, and analyse large quantitative and qualitative datasets provided by different sources.

Main responsibilities

- As part of the Unit, driving forward EIOPA's work with NCAs in the development of relevant tools (e.g., conduct risk assessment frameworks) at the national level and the usage of a broad set of conduct supervision tools:
 - Developing a set of key risk indicators to monitoring conduct risks;
 - Supporting NCAs in using of conduct risk indicators; and
 - Delivering high quality reports outlining how conduct risk indicators should be monitored and analyzed.
- Within own areas of expertise, contributing technical advice to internal stakeholders and national supervisory authorities;
- Liaising with internal and external stakeholders (EIOPA staff members, EIOPA Working Groups and Committees, national supervisory authorities and industry);
- Managing contractors carrying out relevant studies on conduct risk assessments and conduct risk identification;
- Any other tasks as required.

REQUIREMENTS

Eligibility Criteria

- Thorough knowledge of one of the languages of the Communities and a satisfactory knowledge of another language of the Communities;

- Be a national of a Member State of the European Union, Norway, Iceland or Liechtenstein;
- Be entitled to his or her full rights as a citizen;¹
- Have fulfilled any obligations imposed by the applicable laws on military service;
- Be physically fit to perform the duties linked to the post.²

Essential skills and knowledge

- Qualification:
 - a) a level of education which corresponds to completed university studies, preferably in Economics, Actuarial Studies, Political Science, Law, or a related field attested by a diploma, when the normal period of university education is four years or more; or
 - b) a level of education which corresponds to completed university studies, preferably in Economics, Actuarial Studies, Political Science, Law, or a related field attested by a diploma and appropriate professional experience of at least one year, when the normal period of university education is at least three years;
- At least three years of proven full-time relevant professional experience, acquired after the qualification required under a) or b) above;
- Proven experience of drafting reports for decision making bodies;
- Proven experience and knowledge of financial innovation, insurance distribution, and/or conduct supervision;
- Knowledge of EU financial services law, in particular familiarity with EU Directives in the insurance sectors.
- Very good command of oral and written English;
- Working knowledge of MS Office, in particular Word, Excel and PowerPoint.

Desirable skills and knowledge

- Work experience in conducting market research and/or identifying indicators to monitor consumer risks;
- Work experience in conduct supervision;
- Work experience in insurance distribution;

¹ Prior to the appointment, the successful candidate will be asked to provide a Police certificate confirming the absence of any criminal record.

² Before being engaged, a candidate shall be medically examined by one of the institution's medical officers in order that the institution may be satisfied that he fulfils the requirements of Article 12(2)(d) of the Conditions of Employment of Other Servants of the European Communities.

- Work experience in providing advice and assistance to national supervisory authorities;
- Experience and knowledge in the field of insurance either from the industry or financial supervision;
- Work experience in analysing quantitative datasets and applying economic and statistical principles and concepts;
- Work experience in the insurance industry, particularly in the area of distribution;
- Proven work experience in a multicultural environment;
- Knowledge of a third EU language.

For the above position, the following behavioural competencies have to be fulfilled:

- Flexibility in terms of openness to taking over other tasks within EIOPA in view of the dynamic and evolving institutional environment;
- Excellent team player sharing relevant information and supporting team members without taking over responsibility for their work, being able to work in different teams with different levels of stakeholders in a multicultural environment;
- Being able to have and expressing a critical view towards own performance and open to learn from experience;
- Analytical Capacity: able to distinguish between critical and irrelevant items of information: locate, analyse and synthesise information from a wide range of sources in a complex environment; use a disciplined approach to data governance; display a positive attitude in the face of ambiguity; identify critical connections and patterns in information/data; recognise causes and consequences of actions and events that are not readily apparent; makes sound judgements based on rigorous, independent thinking;
- Curiosity: able to demonstrate a deep and persistent desire to locate, analyse and synthesise information from a variety of sources, people and media: ask probing questions that cut through formally presented information/situations to peel back layers of explanation and expose foundational issues; promote open discourse and engage through challenging dialogue: challenge the status quo and exercise professional skepticism; use questions strategically, as a tool to advance insight, understanding and deepen awareness;
- Influencing: able to demonstrate the ability and willingness to assert ideas and opinions without causing offence; adapt and work effectively with a variety of diverse situations, individuals or groups; nurture and build open, effective partnerships with others to achieve results; listen critically with an open, unbiased mind;

demonstrate resilience in difficult situations: push through resistance and continue to work with others in a constructive manner; identify and respond constructively to underlying attitudes or behavioural patterns;

- Communication: able to express ideas logically, simply, confidently and with impact, both orally and in writing; demonstrate command of the message; confidently handle challenging conversations; listen to, and probe, to understand others' views, ideas and ways of working; frame clear communication messages in line with audience experience, background and expectations, in an engaging manner; stand ground when needed; adopt appropriate influencing styles;
- Judgement: able to base decisions on sound logic and rationale; make sound judgements based on rigorous, independent thinking; compare and verify related data from different sources before making a decision; ensure that strong logic and a compelling business case support decisions, balancing sound analysis with decisiveness; involve the right stakeholders in making decisions.
